CRAFT TIME: Foam Cup Snowman

Materials:

- Foam Cups
- Felt
- Pom poms
- Pipe cleaners
- White craft glue
- Scissors
- Black marker

1. Cut a 1 inch wide strip of felt using the full length of the sheet. Fringe the ends with scissors by cutting 4 or 5 slits at each end. (This will be your snowmans scarf)
2. Place your foam cup upside down. Glue the scarf around the cup, leaving enough room for a face.
3. Cut triangles from orange felt and glue it to the face area (this is your snowmans nose)
4. For the earmuffs, cut a pipe cleaner in half. Bend it around the top of the snowman and trim the ends so that they hang over by ½ inch.
5. Trim one side of a pom pom to make it a little flatter. Glue the pom pom to the pipe cleaner on the side of your snowmans head. Repeat for the other side.
6. Use a black marker to add eyes. You can also add eyebrows if you like as well!
